

EATZ

AdvisorShares Restaurant ETF

Fund Description

EATZ is an actively-managed fund of US-listed companies that derive at least 50% of their net revenue from the restaurant business.

FactSet Analyst Report

EATZ will generally invest at least 80% of its assets in equity securities and ADRs of companies across market capitalizations in the restaurant sub-industry. These are defined to include operators of restaurants, bars, pubs, fast food or take out facilities as well as companies that provide food catering services. The fund adviser intends to select companies with dominant market positions or in unique positions for possible growth and expansion. Outside analyst ratings and stock selection rating tools will also be utilized.
