## Amplify COWS Covered Call ETF

### Fund Description

HCOW is an actively managed ETF that invests in US stocks of dividend paying companies with high free cash flow yield combined with covered call writing strategy. The funds objective is to provide monthly income.

### FactSet Analyst Report

HCOW invests in stocks selected from the COWS ETF, a fund which holds US stocks cash flow dividend leaders. The top 40 to 100 stocks, excluding financials, are selected for the portfolio. To generate additional income, call options are written against the stock positions. The strategy seeks to generate 10% or more annually of gross income. Prior to January 28, 2025, the fund name was Amplify Cash Flow High Income ETF and held shares of COWS and wrote uncovered index calls.
