

TOUS

T. Rowe Price International Equity ETF

Fund Description

TOUS is an actively managed fund that aims to invest in stocks of any capitalization that are attractively priced and perceived to have high potential for growth. The fund holds securities of developed market countries outside the U.S.

FactSet Analyst Report

TOUS holds a portfolio of 140-170 stocks of companies that have quality business models, high earnings potential and good valuation metrics. Portfolio construction is done by utilizing macroeconomic and local market inputs to identify organizations with the most favorable combination of the three factors mentioned above. The adviser performs this using a fundamental bottom-up approach, while remaining aware of the global economic condition. Stocks selected are primarily from developed non-U.S. countries and be from issuers across the market cap spectrum. Being actively managed, the funds adviser may buy, sell, hold and make decisions at their discretion.
