

# WCAP

## WarCap Unconstrained Equity ETF

### Fund Description

WCAP seeks long-term capital growth by actively managing a narrow portfolio of companies across all market capitalization worldwide. The funds selection process uses an unconstrained approach that combines macroeconomic analysis and bottom-up fundamental research.

### FactSet Analyst Report

WCAP seeks long-term capital growth by actively managing a narrow portfolio of companies across all market capitalization worldwide. The funds selection process uses an unconstrained approach that combines macroeconomic analysis and bottom-up fundamental research.
